Gotch is in such a bad way that he has cancelled a contract with the Sells-Floto circus people, refusing to go even part of the way on the circuit.

Gray Background
For Baseball Players
Not Wanted

Boston, May 20.—Army gray is the color the background batters now must face at Fenway Park, home of the world's champion ground, as green is generally recognized as best for batters.

The Athletics have registered a loud protest to the new background, saying it is hard to hit against. The star Red Sox hurlers, all fast ball pitchers, jump their fast ones high, and they come out of the army gray so suddenly that opposing teams unused to the background are entirely at sea.

WILLARD'S PURSE WAS PRETTY SLIM ONCE UPON A TIME

New York, May 20.—Of course everybody knows that it wasn't always a case of \$47,000 purse for Jess Willard. Likewise everybody knows that the former big cowboy and horse trader once had a mighty hard time to get along. It was when he was fighting harder than he ever had to with any opponent in the ring. It was when he was fighting for recognition.

Jess once had a hard time of it to get by with the eats and the sleeps. Jess said he didn't mind telling the story himself, and would have done so if he had been asked. But he was willing to forget it at that, excepting for the laugh it gives him now when he recalls it.

The situation came up three or four years ago, when Charley Cutler, the big wrestler, had Jess under his wings and was trying to manage him into a good business proposition. Those were lean days, for the pair of them, nothing going out because there wasn't anything to go out.

Jack Herman and Stanislaus Zbyszko, the Polish wrestler, were in Chicago at the time. The big Pole was meeting all comers, and Cutler and Willard showed up there one night to see what they could do.

"Got plenty of 'comers' to go on with this fellow?" Cutler asked.

"Well, there are enough, considering that we are not drawing very well in this neighborhood," Herman replied. "Have you got somebody you want to put on?"

"Yes, Willard isn't doing anything, and isn't earning a nickel, and I thought you might give him a chance." Herman had never seen the giant cowboy, and looked him over with a great deal of curiosity.

"Can he wrestle at all, or enough to make a showing?" Herman asked.

"Frankly he cannot, but he needs the money, and whatever you can pay will be acceptable."

"Well, I could put him on at a matinee, but it wouldn't be worth more than \$3."

"That's good enough; put him on." And the next afternoon Jess Willard, now champion of the world in a boxing way, wrestled Stanislaus Zbyszko, then chief contender for Frank Gotch's title for \$3. The Pole disposed of the big fellow in a few minutes, but that fact wasn't considered a great addition to sporting history.

The Lewis Junior high school athletes won the annual junior high school track and field meet held yesterday afternoon at Glenwood. The Dee school finished second and the Central, third. Of points, the Lewis

school scored 31 1-2, the Dee 21 and the Central, 19 1-2.

Harold Hutton of the Lewis school scored the highest number of points, with Lee Root second and Frank Pingree third. A. A. Kerr of the Ogden high school faculty acted as referee and several high school students as judges and starters.

BASEBALL TEAMS OF INTER-COUNTY LEAGUE

The Utah Power & Light company baseball team is engaged in an inter-county league contest this afternoon at Glenwood, with the Utamaides, the present league leaders, and tomorrow afternoon the same teams will again oppose each other on the same field.

HAROLD STONE, Catcher, "Utamaides"

"Brose" Hill and Harold Stone, whose pictures appear above, formed the crack battery of the champion Never-Rip team last year and the two are expected to cut a considerable figure in the race for the pennant this year.

Stone is one of the headiest ama-

teur catchers in this part of the state, being particularly good at handling a team and working a pitcher. His battery mate tomorrow will be "Chet" Allen, who is booked for a tryout with Cliff Blankenship's Salt Lake (Pacific Coast league) team in the near future. Three years ago, Allen tried out with Blankenship and since that time has markedly improved in his mound work. He has a record of five years' pitching with three defeats and last year won twenty-seven straight victories.

The lineups for tomorrow's game,

which will begin at 3:30 o'clock, will be as follows:

WORLD'S MARKETS

New York, May 20.—Further profit taking in standard shares and renewal of pressure against the speculative specialties imparted heaviness but these conditions were largely overcome when the railway list resumed its upward progress. The moderate dealings centered around Reading, Erie and the coppers at first but gradually broadened, with pronounced strength in Canadian Pacific, which rose over 5 points with 2-12 for "Soo" an allied line and one for Union Pacific. United States Steel moved within narrow limits and most other industrials retrieved early losses. The closing was strong. Bonds were irregular.

Sugar.
New York, May 20.—Raw sugar quiet; molasses, 5.63c; centrifugal, 6.40c; refined, steady; fine granulated, 7.65c.

The market for sugar futures was irregular with near months higher on covering while later deliveries were lower, under liquidation. Closing prices were 5c higher to 2 points net lower. July, 5.39c; September, 5.40c; December, 4.91c; March, 4.90c.

Clearing House Banks.
New York, May 20.—The statement of the actual condition of clearing house banks and trust companies for the week shows that they hold \$76,956,310 reserve in excess of legal requirements. This is a decrease of \$11,530,970 from last week.

Chicago Hog Market.
Chicago, May 20.—Hogs—Receipts 9000 weak unchanged to 5c under yesterday's average. Bulk, \$9.90@10.10; light, \$9.60@10.10; mixed, \$9.75@10.15; heavy, \$9.65@10.20; rough, \$9.65@9.80; pigs, \$7.50@9.60.

Omaha Livestock.
Omaha, May 20.—Hogs—Receipts 5100, steady. Heavy, \$9.70@9.95; light, \$9.60@9.75; pigs, \$8.00@9.00; bulk of sales, \$9.65@9.75.
Cattle—Receipts 100; steady. Native steers, \$8.00@9.75; cows and heifers, \$6.75@8.25; western steers, \$7.50@9.00; Texas steers, \$7.00@8.00; stockers and feeders, \$6.75@8.50.
Sheep—Receipts 100, steady. Yearlings, \$8.75@10.75; wethers, \$8.25@9.75; lambs, \$10.85@12.35.

Chicago Grain
Chicago, May 20.—Assertions that the state of Kansas has never before had such a disastrous visitation of Hessian fly as at present gave firmness today to the wheat market here. Detailed reports tending to prove that the assertions of unprecedented loss had not been exaggerated came from recognized authorities and referred to some of the largest producing counties. On the other hand Omaha sent word that Nebraska receipts were increasing.

Opening prices which ranged from 1-4 off to 1-2 up, with July \$1.11 7-8 to \$1.12 3-8 and September at \$1.12 1-2 to \$1.12 3-4, were followed by a moderate general advance.

A sharp setback in wheat took place in the last hour as a result of heavy selling by a leading house. The close was unsettled at \$1.16, July; and \$1.12 1-4 at 3-8 September, with the market as a whole 1-4 off to 1-4 up as compared with yesterday's finish.

No important reaction in corn ensued. The close was steady at 1-8 to 1-8 at 1-4c net advanced.
